The Daily Press

HONGKONG, MAY 15, 1909.

So far as is generally known to the outside

public, there is nothing connected with the

Police service in Hongkong that can be

dignified by the name of a detective

force. Scarcely a single man in it has

any special training, and the only

exception is that of the Chinese

who are employed in the

Chinese section of the

Police. The Chinese

are employed in the

Chinese section of the

Police. The Chinese

are employed in the

A SUBSTITUTE FOR THE SHIKES

The Shikhs are a very

important element in

the population of the

North-West Frontier

Province, and it is

very important that

they should be

properly treated.
